

Position Openings

Department of Environment and Planning
University of Aveiro
PORTUGAL

A temporary position, of 6 months, starting on December 2004, is available at the Research Group of Emissions, Modelling and Climate Change (GEMAC/UA), at the University of Aveiro, Portugal, for a young visiting researcher, non-Portuguese EU citizen or from an associated state, at a post-doctoral or pre-doctoral level. The work will focus on MM5 application at high spatial resolution.
